

June 12th, 1974

Dear Max,

Here is a letter I have just received and don't know how to answer.

Do you know if Medicaid reimburses for the cost of life-saving drugs, as in this case? Does Medicare?

Also, is this sort of coverage provided in any of the new bills under consideration?

Do let me know.

All best wishes,

Yours,

Mr. Max W. Fine
